Nastah Industries Sdn. Bhd.

EC Council Directive 89/686/EEC

EC Type-examination
Issue 3.

PPE Product

Nastah Chem-Gard NF 1513, unsupported green nitrile rubber cotton flock lined gauntlets with a patterned grip, which are available in five nominal sizes.

This model is also known under other brand names, see page 3.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards, EN 374-1:2003 with EN 374-2:2003 performance level 2, EN 374-3:2003 permeation (\geq level 2) with reagents A, J, K & L and EN 388:2003 for a performance classification of 4,1,0,1.

The manufacturer's information notice (Chem-Gard NF 1513, Rev 03) in English has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive, are implemented and maintained while the model is in production.

Certification is based on technical file III-SFG-TF-008 revision C with supplements.
